

A SAMPLING OF ELECTION FRAUD CASES FROM ACROSS THE COUNTRY

The United States has a long and unfortunate history of election fraud. The Heritage Foundation is providing a list of election fraud cases from across the country, broken down by state, where individuals were either convicted of vote fraud, or where a judge overturned the results of an election. This is not an exhaustive list but simply a sampling that demonstrates the many different ways in which fraud is committed. Preventing, deterring, and prosecuting such fraud is essential to protecting the integrity of our voting process.
